

Catalysts

High Performance Computing

www.catalysts.cc

Catalysts develops software solutions for earth observation, financial and industrial customers.

Big Data

We process big data volumes in real-time and batch-process Tera- and Petabytes of accumulated data.

High Performance Computing

We accelerate and optimize your business critical algorithms for high performance on a wide variety of hardware platforms including accelerators.

Large-Scale Agile Projects

We deliver large scale projects „On Time & On Budget“. Large scale projects may have millions of lines of code, or take many hundred person-months.

What our customers value? We are ...

fast

flexible

cooperative

uncomplicated

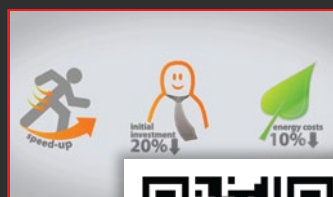

high in quality
